To the Parents of Albert Einstein School,

Of paramount importance regarding students, teachers, administrators, staff and the rest of the AES community are these two concerns:

- 1.) Safety and Security
- 2.) Learning Environment

To remind you and to reinforce:

Rules long held in our school are still in effect.

The following are non-negotiable.

## 1.) Bodyguards, Escorts and Firearms

A. Under no circumstance, events, or excuses, are any of these allowed inside the school. Bodyguards, escorts, and firearms are barred from entry and must remain outside the school premises at all times.

## 2.) Guardians: Parents, Helps and Babysitters

A. Parents, Helps and Babysitters are not allowed to disrupt students and teachers during class.

B. Helps and Babysitters are not allowed to linger and lurk near classrooms during class hours. The school canteen and its immediate vicinity are the designated areas for Helps and Babysitters.

C. Only one guardian is allowed per student up to Grade 2.

D. The Id system for entry will be reintroduced.

Parents, I thank you for your understanding and compliance.  
Good day.

Acting Director,

  
Seabright II Morales
